Services, products and expertise in: Concept, design and manufacturing of electronics and mechatronic systems

**RS232/UART to 1 wire
Interface**

RS232/UART to 1 wire bus (LIN) Interface

- RS232 (± 12 Vdc) (VME interface) interface to 1 wire (5Vdc LIN) network (SMA interface)
- Avionic and High Altitude requirements
- Isolated limit switches interface (application's requirements)
- Test and signal's monitoring on the "VME connector"
